Select Board Meeting

Present: Ernest Cardillo, Steve Shatz, Don Chabon, Danielle Fillio, Ray Miyares, and Jennie Merrill

Town Counsel met with the Board to go over contract issues with the company GZA who is working on the Stockbridge Bowl Dredging project.

GZA has exceeded their original not to exceed amount contract as well as their not to exceed addendum and there is still work that needs to be addressed and completed.

It was noted that the estimate for the total project to be completed is an additional \$360,000.

After much deliberation it was agreed that the Stockbridge Bowl Association would cover the costs moving forward.

Steve made a motion to instruct Town Counsel to move forward with negotiations with GZA. Don seconded the motion. The vote was unanimous.

It was noted that there will need to be better quality control by both the Town and the contractor.

The Board briefly discussed a Petition article which was amended with the help of Town Counsel. The Board asked the Petitioner to get signatures of everyone who signed the original Petition stating that they approve the amendment.

The Board discussed the salary increase requested by Karen Williams. Steve made a motion to approve the \$4,000 request. Don seconded the motion. The vote was unanimous.

With no further business, Steve made a motion to adjourn. Don seconded the motion. The vote was unanimous.
